BLUE and GRAY

1955

An aerial photograph of Mountain View High School and its surrounding neighborhood. The school is a large, modern building with a flat roof, situated in the lower right quadrant. To its left is a large, open field, likely a football field, with a curved track or path around it. The surrounding area is densely packed with residential houses and trees. The overall scene is a typical suburban high school setting.

In the fall, the Blue and Gray staff thought about a theme for the 1955 Blue and Gray. Having decided to arrange the book chronologically, we wondered what could be more appropriate than the seasons of the year; perhaps a single word could be used to depict each season.

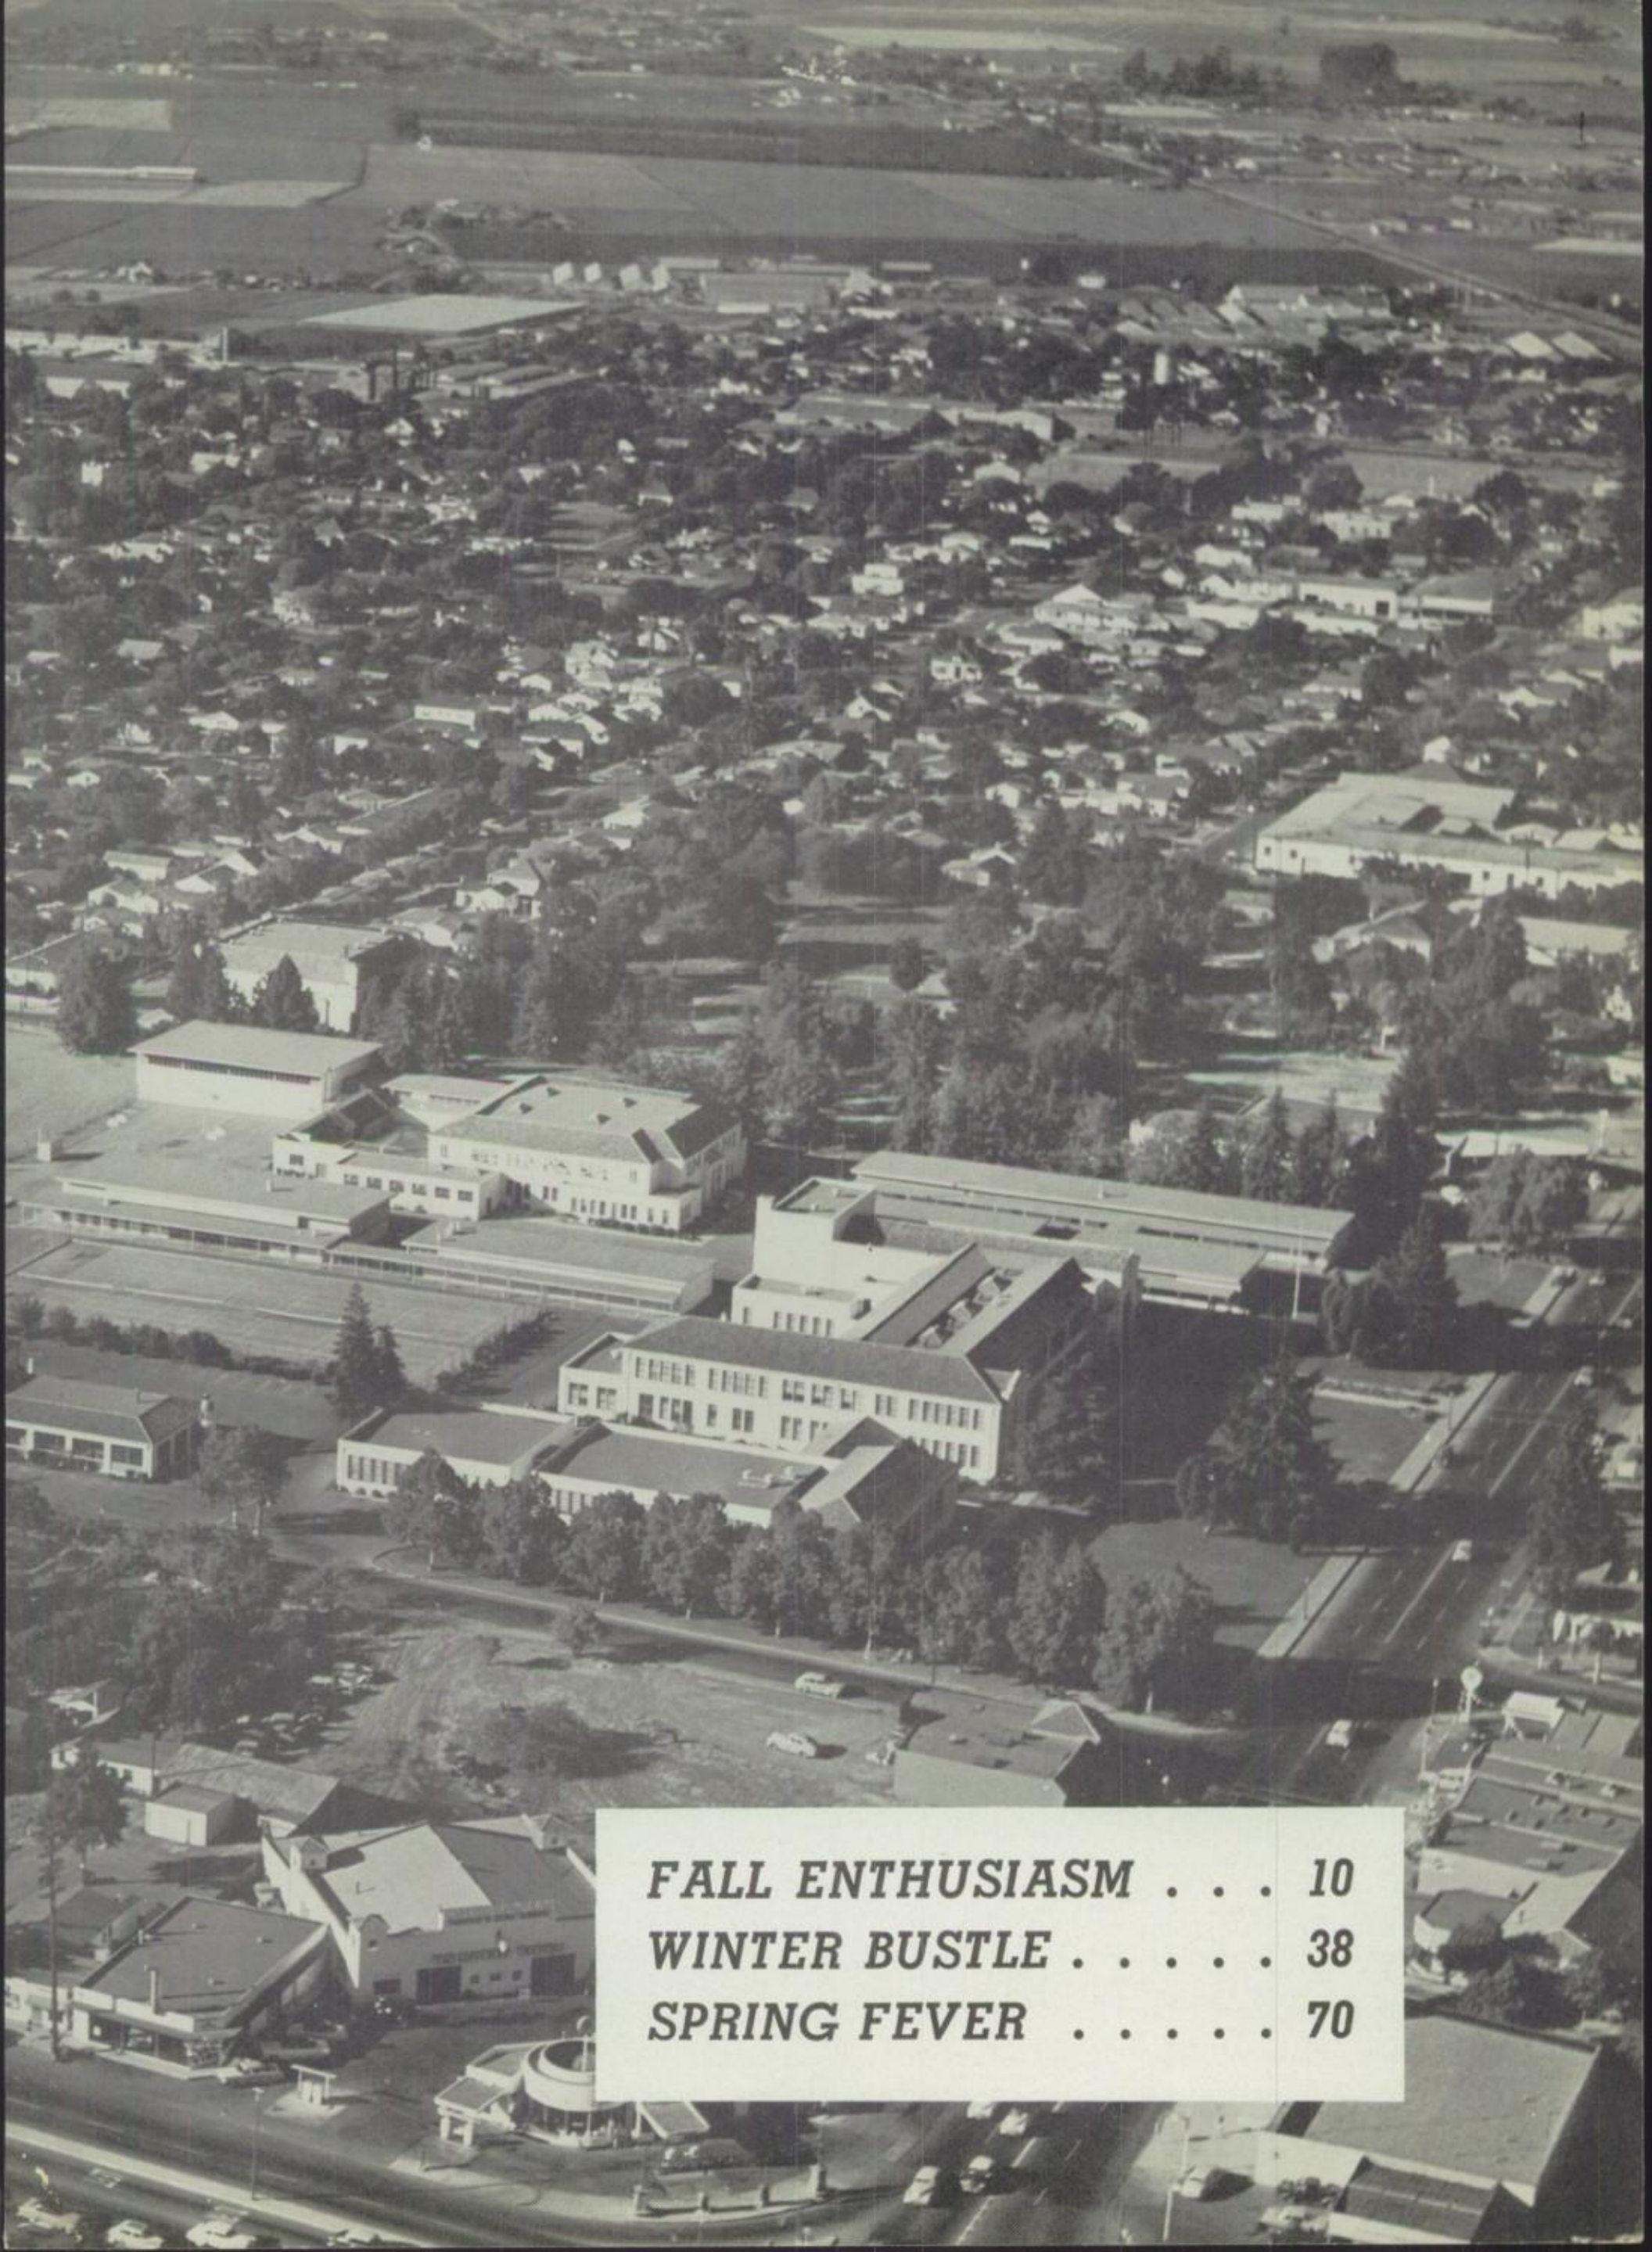

Thinking of fall, the very best word that came to mind was ENTHUSIASM—we thought of the new freshman class, the various activities, the football excitement—and the more we thought about it, the more positive we became that fall was the "enthusiastic" part of the year.

Winter brought to our minds pictures of people rushing between classes on rainy days, with everyone caught up in the hustle and bustle of the bursting schedule of activities planned for the winter season. So, BUSTLE was our description of winter.

Spring reminded us of Easter Vacation, sunny days, and . . . well, nothing would do but spring FEVER.

The staff had fun fitting all of Mountain View High's activities into the three sections of the Annual. Only summer was slighted, but we know that you can fill that in for yourselves.

—Annual Staff

<i>FALL ENTHUSIASM . . .</i>	<i>10</i>
<i>WINTER BUSTLE</i>	<i>38</i>
<i>SPRING FEVER</i>	<i>70</i>

Mountain View

High School District

The Board of Trustees are elected by the community, and render their time and efforts for the good of the community without compensation. Board meetings are held once a month, at which time the various matters brought before them are discussed and voted upon.

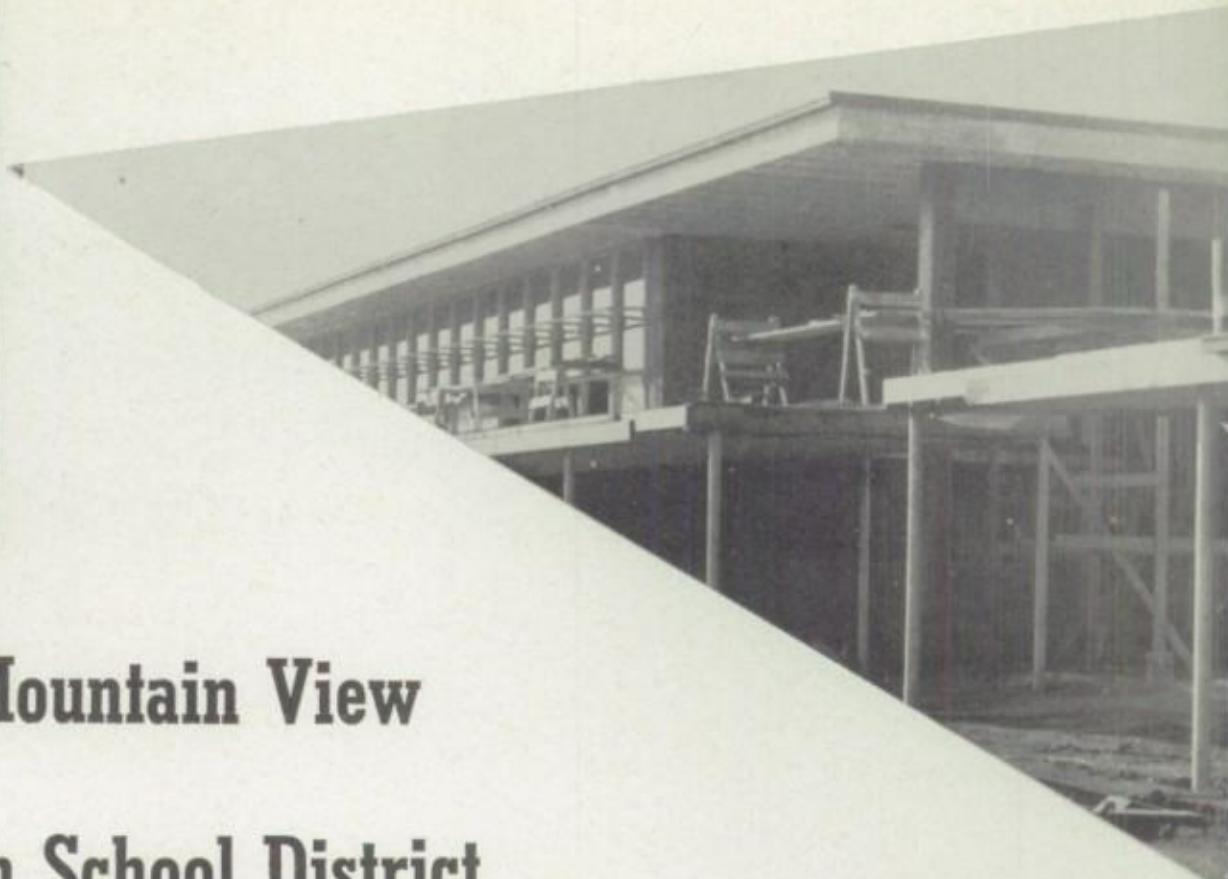

Our Board has been responsible for the building of the new Los Altos High School, part of which is pictured above while still under construction. Part of Mountain View's student body will be attending the Los Altos school next fall.

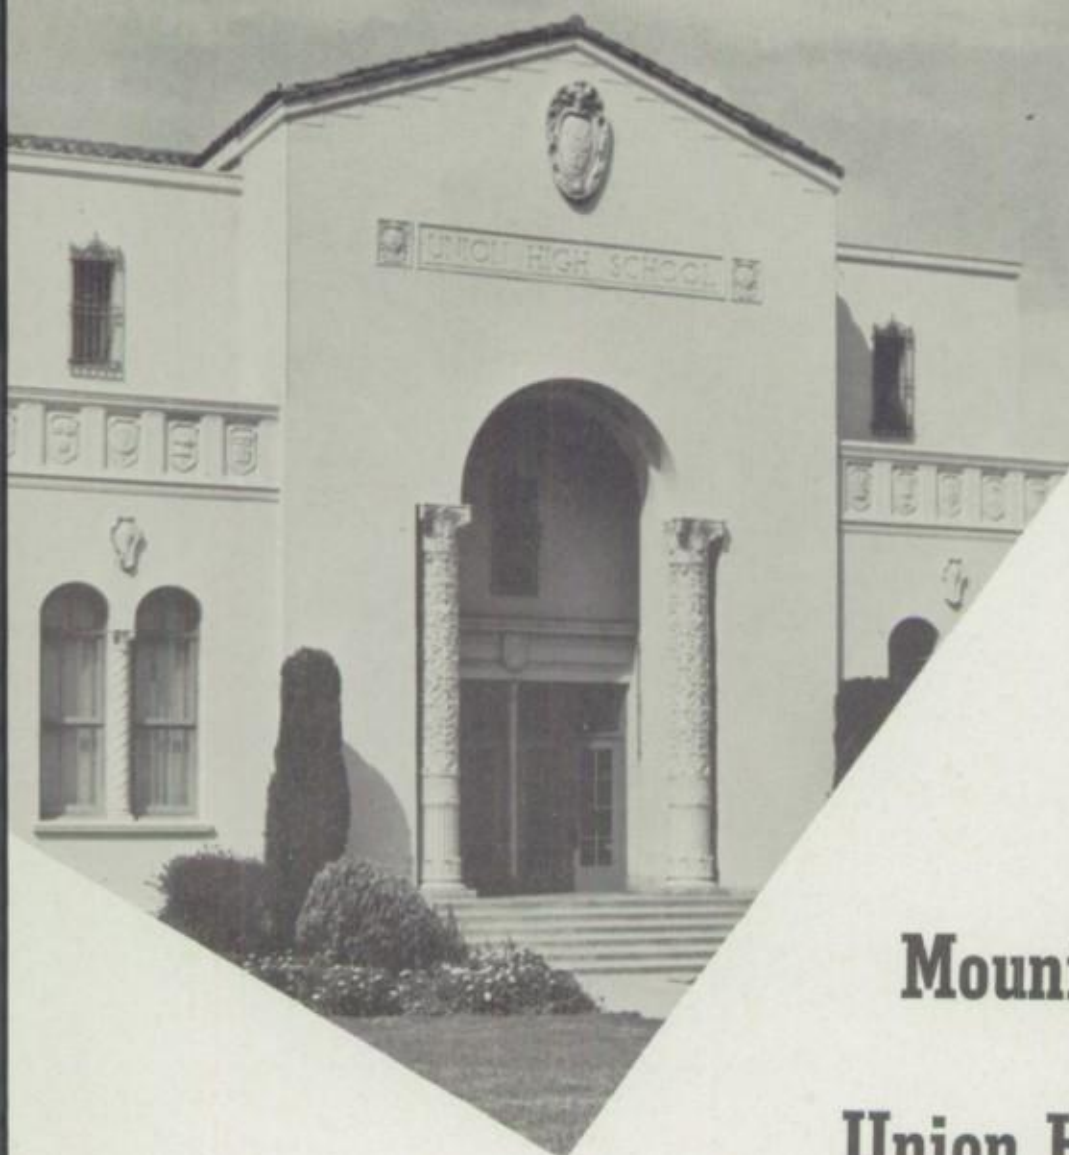

Ours is one of the few school boards in the state that has planned far enough ahead that we have not been troubled with overcrowded high schools. They have done a tremendous job, and the members of the Board should be commended for their merit.

The Board is always ready and willing to help the students in any way that they can. On one occasion this year, there seemed to be a shortage of chairs in the cafeteria. The matter was brought before our student council and referred to the Board. In less than a week, we had a sufficient number of chairs. This is but one example of their thoughtfulness, even in an insignificant matter like cafeteria chairs.

On behalf of the student body, we would like to say "Thank you!"

—Clara Mena

Mountain View Union High School

Some weeks ago a student in our school was filling out an application for admission to one of our universities. One of the questions asked was, "What current problem of the world most engrosses your attention and interest?" This student answered, "Our country's ideas and policies concerning world peace and the problems we face in trying to achieve it." To all Americans, a perennial problem of the greatest concern is the preservation of our way of life. If we are to succeed in our task, we must keep faith in our democratic institutions, and we must be an enlightened people. The life of a democracy depends on an enlightened people who have retained faith in their own social institutions; to help build such people is the responsibility of free public education.

We sincerely believe that you, the graduating seniors, have had educational experiences here that will stand you in good stead. You have been a member of a social group that has had an opportunity to be a part of a democratic society. You have been afforded an opportunity to learn the meaning of tolerance, of how to think rather than what to think, and to analyze yourself in order that you might make a wise choice of a vocation. Now your responsibilities, as well as ours, are great.

We believe your preparation here in this school will be a positive force for the goal we seek, world peace.—Irval Carter

We had anticipated our freshman year in high school for so long, and all of a sudden, bright and early on September 13, there it was. We were welcomed with an assembly and a get-acquainted tour through the school. The freshman girls were especially lucky, as they all had senior girls for big sisters.

The class got right into the swing of things with freshman elections, resulting in a fine group of officers.

The Freshman Reception, our first high school dance, helped us outgrow our shyness.

With Freshman Day, and its volleyball games, swimming, dinner, and dancing, we had a chance to get to know more of our class.

By the time the first semester came to an end, we were sure that we had really become a part of that big thing called high school.

Our sophomore year started with exciting activities. Two weeks after school opened, we were hosts at the Freshman Reception, a dance welcoming the freshmen to high school. September 24 was the date of the first Frosh-Soph League meetings. It marked the first time that the leagues were divided into upper and lower class groups. Then in October came Sophomore Day, full of games, good eats, and dancing. December 2 brought the Sophomore Variety Show, "Toy Shop at Midnight." With Miss Watson's help, it was a big hit.

Christmas vacation was next, with nothing to do but be lazy and have parties.

February 11, when Cupid was the only decoration to last until 11:00, was the date of the Frosh-Soph Leagues' big dance, "Cupid's Carousel."

"We're upperclassmen now!" That is what we were all thinking when school started in the fall. We did not actually feel any different than we had last year, though. We all wanted to make this year one of the best ever.

The junior variety show, "Country Carnival," started the year full of activities. The variety shows have been some of the high points of our three years in high school, and we worked hard to make this one especially successful. This show and all of the other activities that we participate in as a class are perfect examples of the tremendous class spirit that has grown by leaps and bounds during our three years at Mountain View High. This spirit and teamwork has come to be one of the things that we cherish most in high school.

When we entered high school as freshmen. It hardly seemed believable that we would actually be seniors one day. Then all of a sudden that senior year that we had so eagerly looked forward to had arrived, and we found ourselves showing the new freshman class around the school.

Remember the football games, where we rooted for our team, and the dances in our girls' gym, and our monthly pizza parties? Who could forget the senior variety show, "Hernando's Hideaway," which displayed such an array of senior talent?

The Christmas Dance, "Winter Mist," climaxed a semester full of activities and fun for all of us.

STUDENT COURT

FALL

The Student Court functions to penalize students who have committed offenses on the school campus. For instance, citations are given to students by members of the Hall Patrol for throwing trash on the lawns or cutting into the cafeteria line. On receiving a citation, the student must appear in court at the next session.

The court convenes on Thursday during the noon hour whenever necessary.

There are nine members of the Student Court: seven judges, a parliamentarian, and a bailiff. One judge is elected from each class, and three judges-at-large are elected by the student body. The job of court parliamentarian is taken by the student body parliamentarian, and the student body sergeant-at-arms fills the bailiff's post. Mr. Nudelman is adviser to the Student Court.

FOOTBALL SEASON

The varsity football squad finished a dismal season this year in a tie for the league cellar spot with a record of one win and five losses.

One of the main reasons for the Eagles' poor showing was the team's lack of experience in the T formation, which made its first appearance at MVUHS under the direction of freshman coaches Collie Kidwell and John Gilkey.

Halfback Charlie Cooper and tackle Ted Moore made honorable mentions on the all-SCVAL team.

Ted Moore was voted the most valuable team player.

Tony Calvelli's 130 eleven broke even in loop play with a slate of two wins, two losses, and two ties.

Wingback Ken Hoshi was named to the second string league "dream team," while end Domingo Roldan and guard Lupe Martinez received honorable mentions.—Hugh Scott

Girls' Athletic Association, better known as G.A.A., means many things to the girls who belong to it. G.A.A. gives the girls a chance to improve in any sport. It gives them an opportunity to make new friends, and helps to create good sportsmanship.

Girls' sports are an important part of every school, because the girls and teachers are interested in fun, exercise, and competition.

Mountain View High is one of the leading schools in girls' sports. A great number of our girls take an active part in G.A.A.

When a girl earns her twenty-five points for participating satisfactorily in one sport, she receives a G.A.A. emblem. When she receives one hundred points, she receives a G.A.L. emblem, and one hundred and fifty points makes her eligible for a Block M. With more points, she may receive stars or chevrons, depending on how many points she acquires.

G.A.A. not only provides the girls with after-school sports, but also holds a banquet in May of each year. At that time the senior with the most points receives a pin, and the senior who is at the very top of the sportsmanship list receives a cup for the year. G.A.A. also sponsors playdays with other schools, and organizes dances.

We are sure that every girl who goes out for either swimming, tennis, basketball, volleyball, badminton, baseball, or archery can say that G.A.A. is a worthwhile organization.

THE EAGLE

We had a confusing, but good time in journalism this year with the paper, radio show, and magazine, all going on at the same time, turning our class into a three-ring circus. We had two different staffs, one for each semester, and they in turn were divided into three separate staffs to work on the paper, the magazine, and the radio show; each staff put their whole hearts into their work.

Oh, we admit we made some fluffs, but they usually turned out for the best—we hope. Our special editions for Christmas, April 1, and Graduation were our pride and joy. After a hectic, but wonderful year of journalism, we were ready to retire and hand our three problem children over to the juniors.

Girls' State

Evelyn Ryder

California Girls' State is a week-long convention held in Sacramento, the capital of our state. Girls from all over California attend the convention in order to learn the fundamentals of our state's government. Through participation in mock city, county, and state elections, legislation, and management, the girls have a chance to learn about government first hand.

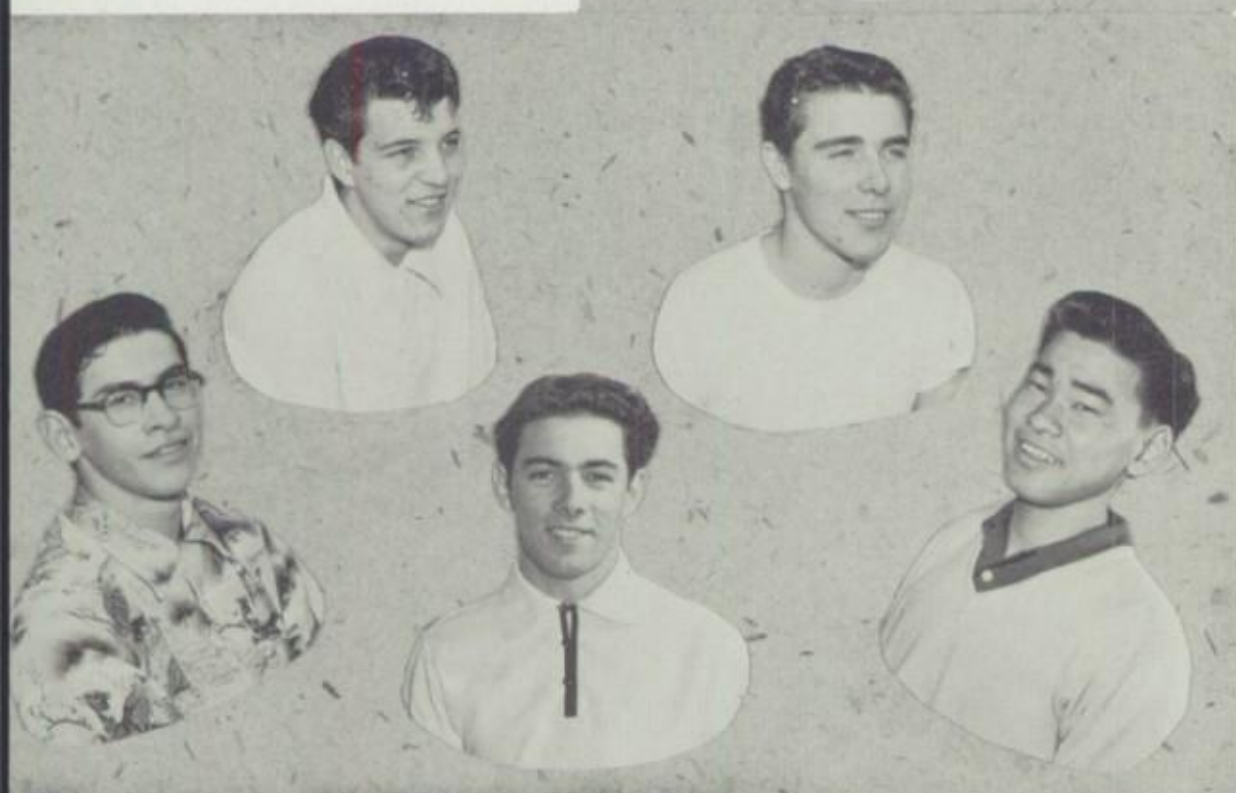

The American Legion Auxiliary, which sponsors Girls' State, plans a week of learning, touring, and fun for the girls. The tours include the Capitol Building, the Court House, and Sutter's Fort. Part of the fun is companionship with other high school girls.

Girls' State is truly the outstanding memory of my junior year; it was an honor and a privilege to spend such a profitable and enjoyable week in Sacramento.—Evelyn Ryder

Boys' State

Gary Edwards

Our week's stay at Boys' State under the sponsorship of the American Legion turned out to be one of the most enjoyable and educational weeks we have ever had. The purpose of Boys' State is to acquaint high school students with the functioning of the California state government as well as the party system by which it is run. Boys' State might be called a lesson in practical civics whereby a model state government is set up and run by the students themselves.

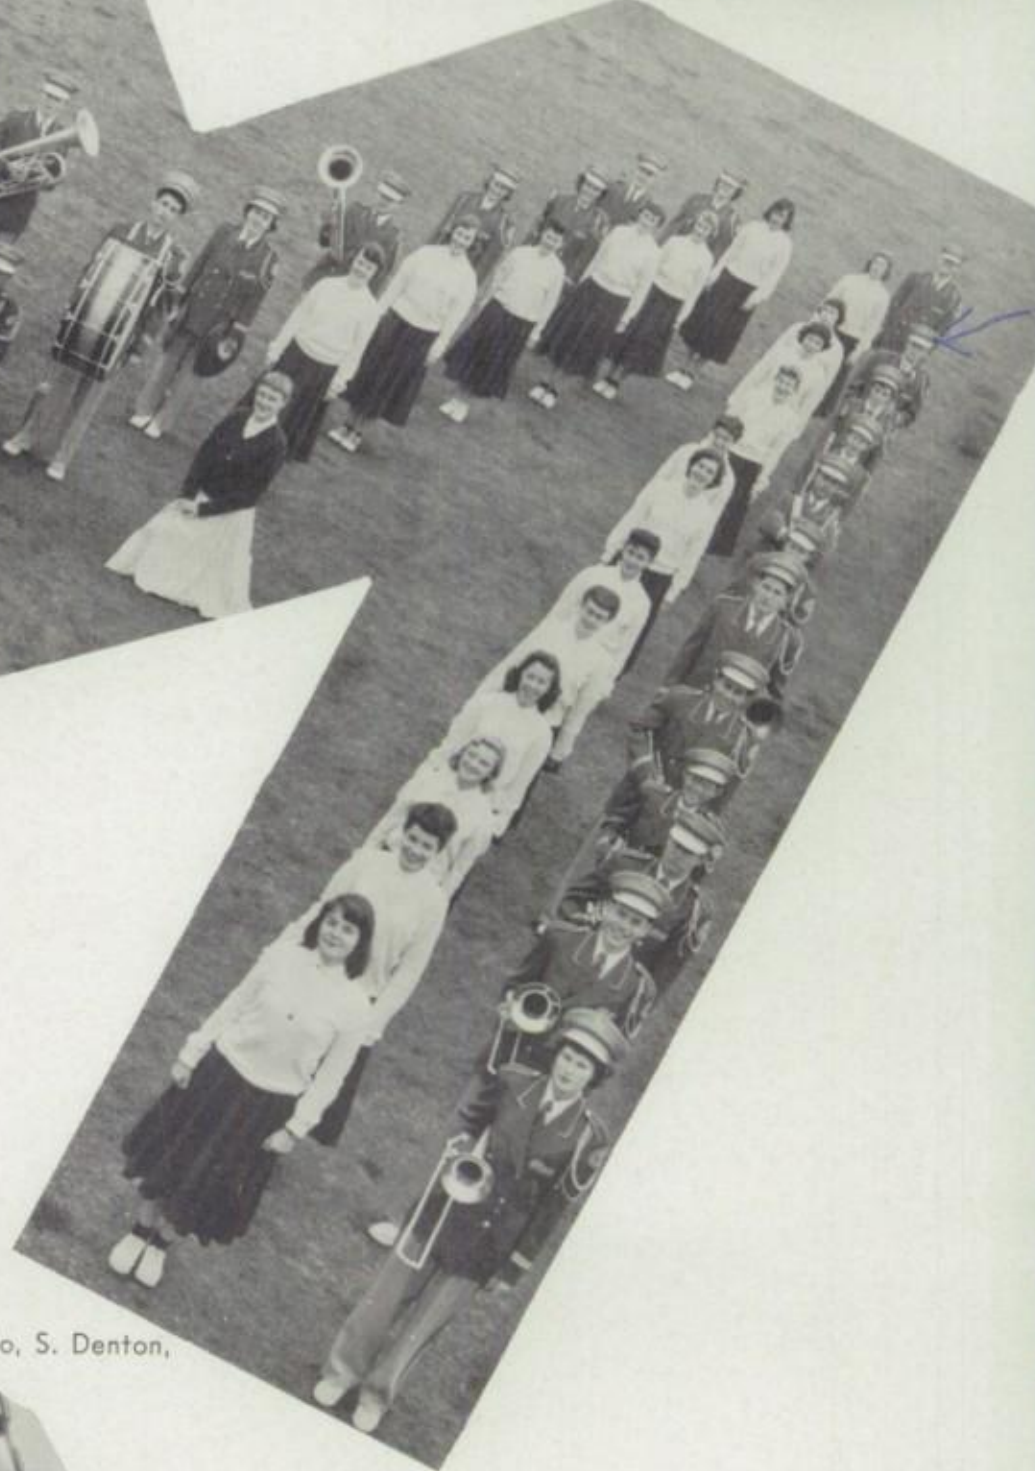

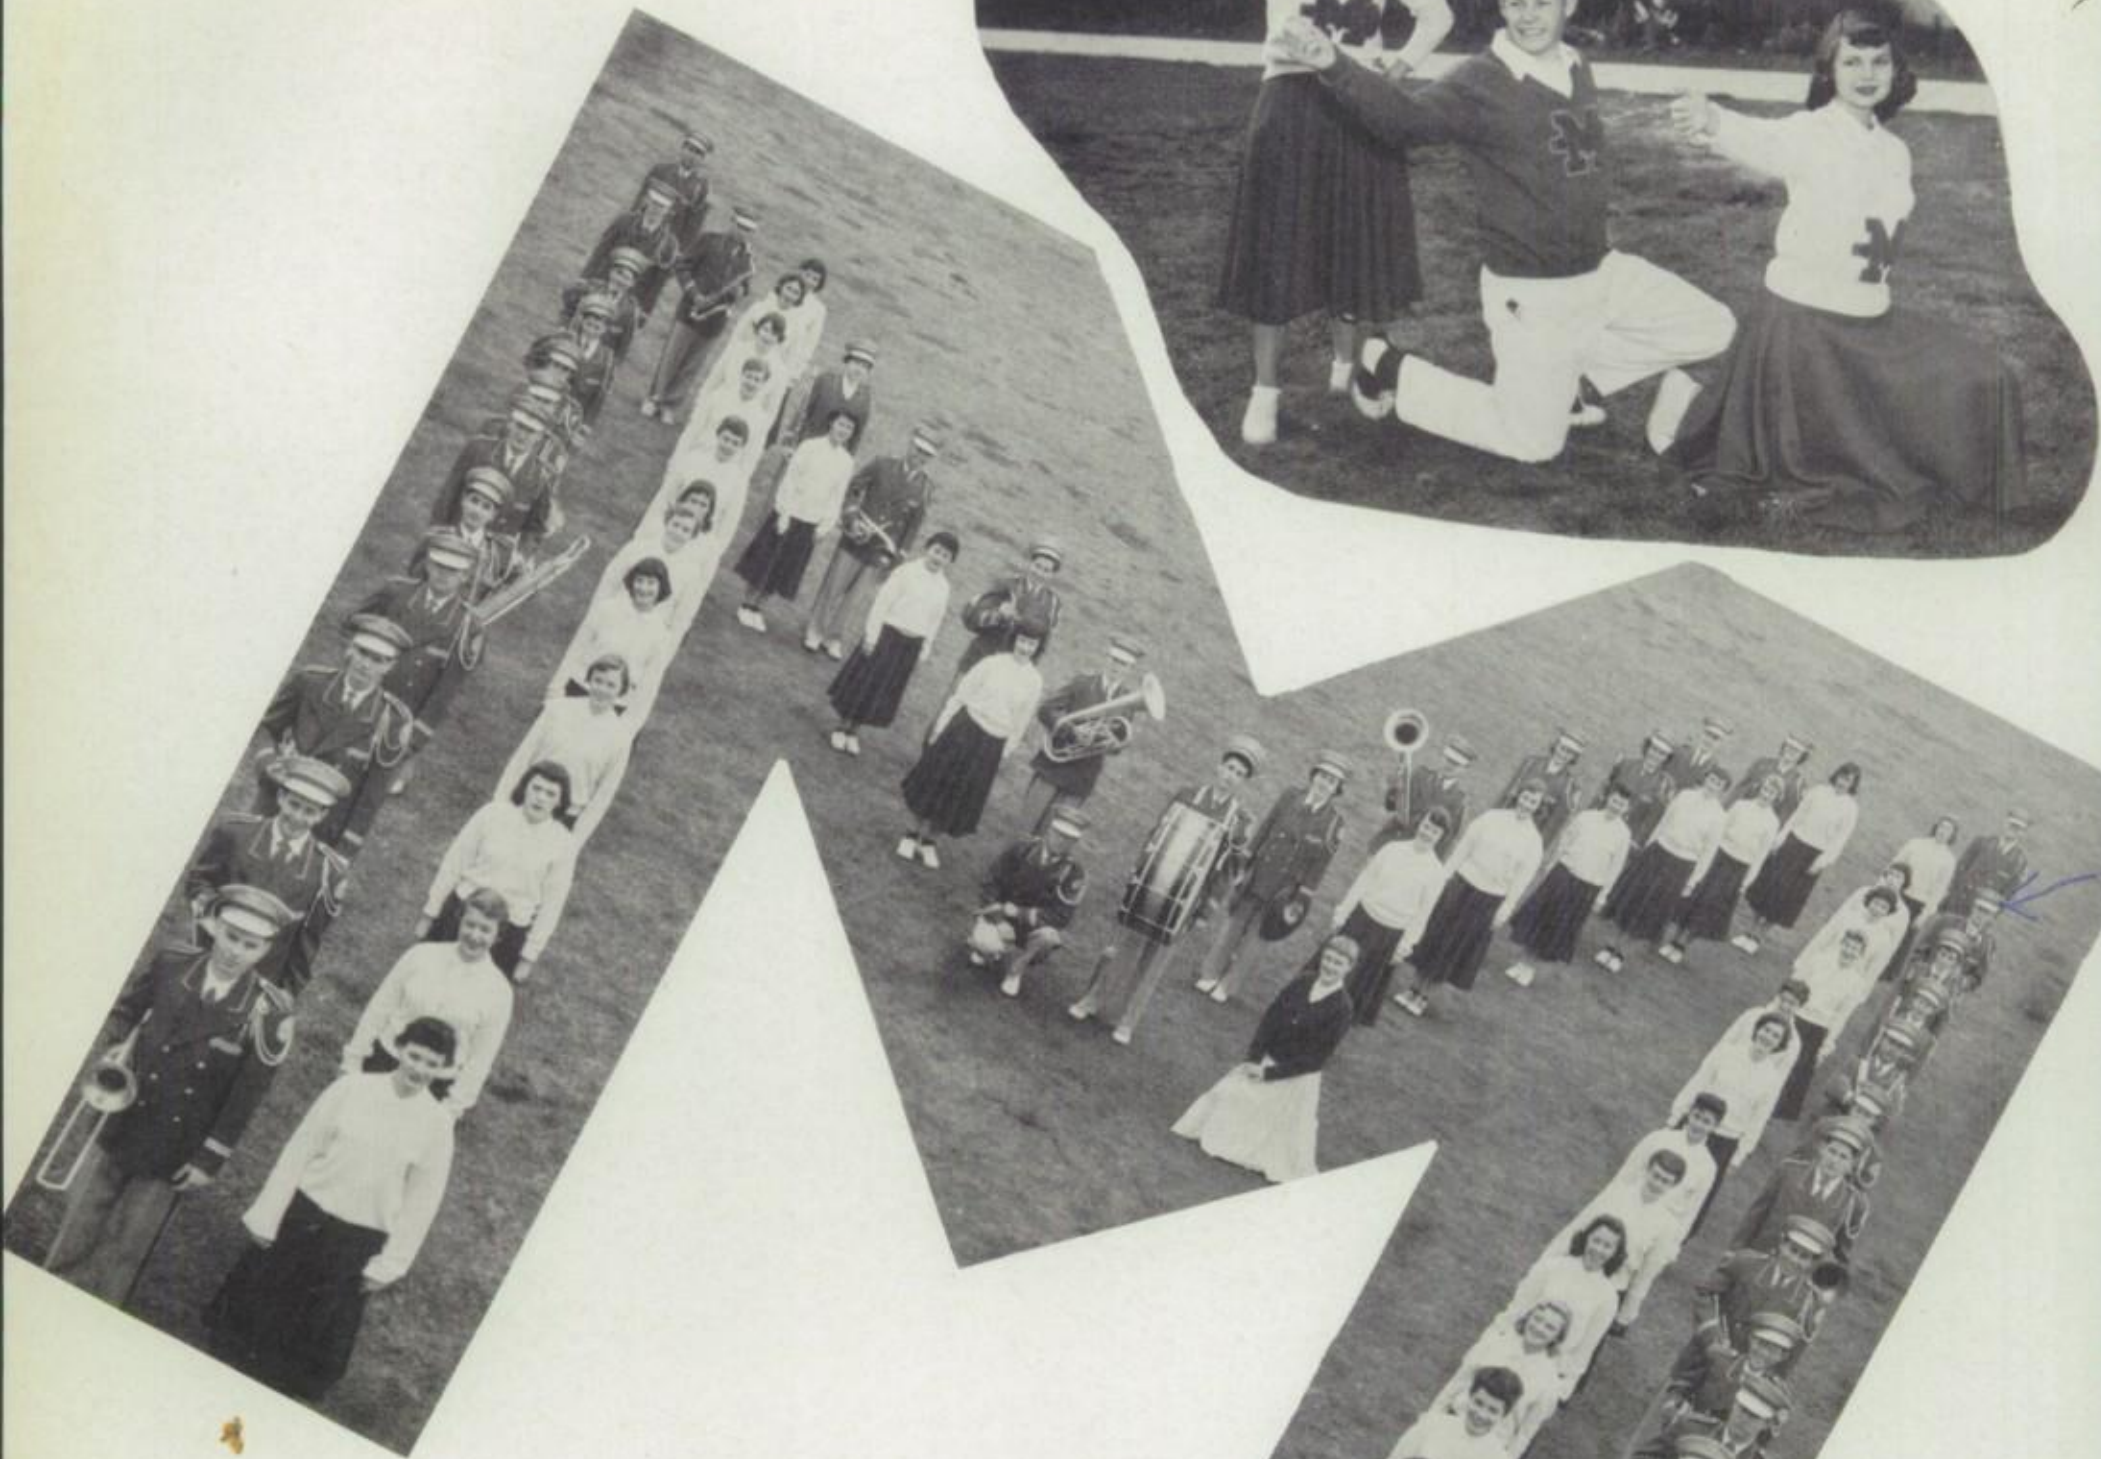

Although we did learn a lot and did spend much of our time at meetings, we also had fun—not only in recreational games, but in meeting fellow teenagers from all over the state.

BASKETBALL SEASON

Coach "Dude" Angius' Varsity and 130 basketball squads both enjoyed successful seasons this year. The lightweights racked up a brilliant record of eighteen straight wins without a defeat to capture not only the undisputed Santa Clara Valley Athletic League Championship, but also a Northern California ranking.

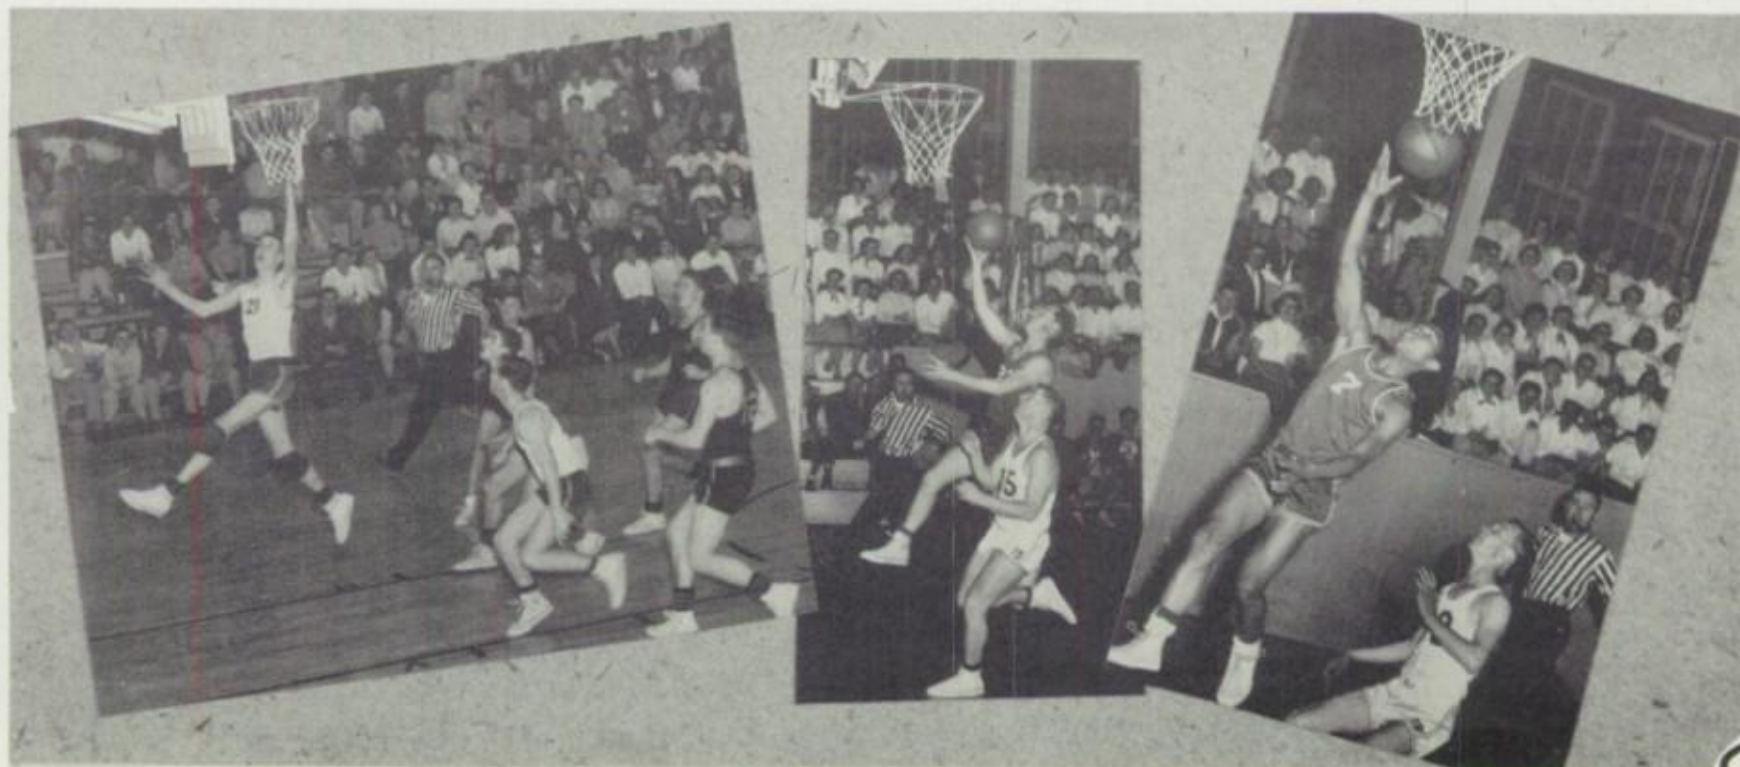

Guard John Escobar, who topped the league in scoring, and Bill Catambay, forward, were both first string all-league. Guard Frank Escobar made second string and center. Benny Mendez received honorable mention.

John Escobar and Bill Catambay were voted co-most valuable team players.

The Varsity five finished the campaign with a seasonal record of eleven wins and seven losses, and a league slate of three victories and three defeats to earn a tie for third place in loop standings.

Forward Steve Flynn was voted to a second string all-SCVAL berth. Forward Dan Ortiz and Jim Derrickson, center, were awarded honorable mention.

The most valuable Varsity team player was Dan Ortiz.—Hugh Scott.

Exchange Student Program

This year I had the wonderful opportunity to come from Germany to the United States for one year to get acquainted with American life and education. I came through the American Field Service Exchange Program, the same program through which Joan Olsen came to my school in Berlin, and Del Cummings came to Austria last summer. I have enjoyed my year here very much and am looking forward to telling my people about the nice experiences I have had here. My experiences with the boys and girls of Mountain View High, with the faculty, and the school itself have been very fine, and I am awfully glad I got to know all of them.

By the beginning of the spring semester, we didn't feel so out of place. With a chance to get into C.S.F., the class turned out many proud members. Election time came again, and we had a lot of spirit, with a close election.

The biggest thing for the freshmen during the spring semester was the freshman variety show, entitled "Frosh Frolic." It was held in the last part of March, and we had a lot of fun organizing it and presenting it to the student body.

We can't leave out the Frosh-Soph Girls' and Boys' Leagues, with fashion shows and modern dance programs for the girls, and skits and other unusual events for the boys.

We will always remember our first year of high school but here we are already looking forward to becoming sophomores.

On February 17 the Girls' Leagues combined efforts to present the annual Beauty and Talent Show. The Sophomore Class was very well represented among the twelve semi-finalists by the lovely Misses Virginia Goldsmith, Liz Kerns, Brooke Shebley, Vicki Woods, Ann Pagnani, and Sandy Spalsbury. Brooke Shebley, a sophomore, was one of the six finalists. Henry Salas and Anne Balero made a big hit with their "real gone" pantomime acts, in the talent part of the show. Marie Antonuccio was the best soloist, and won second place, while Henry Salas and Anne Balero won third place for talent.

We have enjoyed our sophomore year very much and are looking forward to two more fun-filled years at Mountain View High.

All too quickly our first semester has come and gone. The second semester started out amidst a maze of campaign buttons and signs for class elections. The newly elected officers had the huge job of planning and organizing the junior carnival and the junior-senior prom.

Everyone worked on the carnival, and on May 10 the football field was transformed into a colorful combination of booths, bands, royalty, and hundreds of people.

We had a chance to participate in more league activities this year, since leagues were split up into two groups. The junior girls did some hilarious imitations of seniors at the final Junior-Senior Girls' League meeting.

As our year came to a close, it brought our most thrilling event, the prom. It was a wonderful way to end a year that had given us lots of happy memories.

Pat Nickle

The production of "Smilin' Through" was one of the seniors' biggest projects. After a month of work and fun, we were rewarded with an outstanding performance.

Senior Sneak Day, with food, games, and swimming, and Senior Night were so much fun because we all enjoyed them together.

Tuxedos, formals, flowers, and dancing spelled out the Prom. The juniors presented us with an unforgettable evening.

We gathered together as a class for the last time at graduation. It seemed as if we'd just got used to being called seniors, and then the year was over.

Mountain View High will always remind us of our classmates, our teachers and counselors, and our numerous activities. Looking back, we couldn't have asked for fonder memories of those four years as the Class of '55!
